To

The Secretary to the Board,

Land Revenue & Settlement,

M a d r a s.

Sir,

Alienation - land - Puttur Taluk - Kuvettu village - S.No.17/16B1B - market site - resumption - sanction requested.

******

I request that the Board may be pleased to sanction the resumption of S.No.17/16B1B of Kuvettu village.

2. The plot measures 61 cents in extent and there are no improvements standing on it now. It had been alienated in favour of the Guruvainkere Village Panchayat in this office proceedings, R.Dis.11791-30, dated 16.5.1931 for the purpose of a market. The Village Panchayat is said to have held a market on the plot for some time but the market did not prove successful and the materials of the temporary shed, erected by the Panchayat for the purposes of the market, were sold by the Panchayat last year for 0.6.0. The Panchayat has no desire to revive the market, and has in its resolution No.47, dated 17.3.1935 (translation enclosed) expressed its willingness to surrender the plot, along with the sale ------ proceeds of 0.6.0 of the materials of the shed (sold by the Panchayat without obtaining permission).

3. There was tree growth of the value of 16.4.7 on the plot at the time of alienation, but the recovery of this value was waived, as it was found that Government had been paid its value by the Taluk Board, Puttur in some previous

alienation proceedings held in respect of the same plot. The Panchayat has not claimed any refund of the value now.

4. I enclose an eyesketch of the plot, with R.Dis.file 11791-30 of this office, for the Board's reference.

Your obedient servant,

For Collector.

Proceedings dated 17--3--35 of the Guruvainkere Village Panchayat

Resolution 47:- Read the suggestion --- in the Collector's letter R.O.C.96-35-B.2, dated 14-2-35 that the alienated plot -- should be surrendered along with the -- building standing on it.

The plot has already been surrendered; the buildin in it was sold for a mere sum of 0-6-0 to prevent i being damaged. We have no objection to this amou being also surrendered. We hereby agree to surren (everything) unconditiona and without any compensat

2 The Board may sanction of the resumption of the land in question

3 There was tree growth on the land valued at Rs 16.4.7 at the time of the alienation The collection of the amount from the Panchayat Board was waived in view of the fact that Govt ~~got~~ realised the value from the Taluk Board, Patur in some previous alienation proceedings. The Panchayat Board had relinquished the land unconditionally either without claiming/any compensation or refund ~~of~~ of free value.

In these circumstances there seems to be no need to refund the Fee Value to the Panchayat Board
